

St Gabriel's Catholic Primary School

Promoting British Values: Preparing our children for life in Modern Britain.

Full Version (November 2016)

‘And as you wish that others would do to you, do so to them.’ (Luke 6:31)

‘What we are called to respect in each person is first of all his life, his physical integrity, his dignity and the rights deriving from that dignity, his reputation, his property, his ethnic and cultural identity, his ideas and his political choices. We are therefore called to think, speak and write respectfully of the other, not only in his presence, but always and everywhere, avoiding unfair criticism or defamation.’ (Pope Francis)

‘And as you wish that others would do to you, do so to them.’ (Luke 6:31)

St Gabriel's Catholic Primary School

Promoting British Values: Preparing our children for life in Modern Britain.

'And as you wish that others would do to you, do so to them.' (Luke 6:31)

The definition of British Values was set out by the government in the 2011 Prevent Strategy and added to Ofsted inspection guidance in July 2014: "To create and enforce a clear and rigorous expectation on all schools to promote fundamental British Values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs." At St Gabriel's these values are regularly promoted through learning and teaching, a rounded programme of assemblies and a positive behaviour policy allowing pupils to develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain.

Our School Mission Statement

St. Gabriel's is a welcoming school where:

- We pray together, care for each other and learn together
 - We feel safe and respected
 - We try to do our best
 - Everyone is treated fairly
 - We have fun with our friends

With Jesus Christ at the heart of our loving Catholic community

'And as you wish that others would do to you, do so to them.' (Luke 6:31)

Aims

We want to work with each and every family to allow every single child to make the most of their potential and achieve. Our mission statement sums up what we are about and what all our responsibilities are.

All of our work is based firmly on the Gospel Values and Virtues. These Values and Virtues underpin everything we do and impact on all aspects of school life. Within school we use the Gospel Virtues, sometimes referred to as the Jesuit Virtues, to support the children as they develop as members of our faith community. The Gospel Virtues are described as: loving, hopeful, attentive, learned, faith filled, generous, eloquent, intentional, compassionate, active, truthful, prophetic, curious, wise, grateful and discerning.

Gospel values “...are a guarantee of peace and of collaboration among all citizens in the shared commitment to serving the common good”.
Saint John Paul II (Angelus address, 2004)

British values have evolved from these and have been most recently defined by OFSTED under four headings:

- Democracy
- The Rule of law
- Individual Liberty
- Mutual Respect and Tolerance of Those With Different Faiths and Beliefs.

‘And as you wish that others would do to you, do so to them.’ (Luke 6:31)

They welcome praise and value for what they have done. This maybe a verbal comment or a sticker or a stamper. A Behaviour Ladder is used. They are motivated to do their best through positive interaction with their peers and adults.

- Children learn through sharing with others what is fair/unfair. With adult support they learn to take turns.
- They learn to understand that their actions affect others and some words hurt other's feelings.
- Children that fail to inhibit their actions/behaviours learn how to behave appropriately from observing the other children, through interaction with adults and positive role models. Good behaviour at school is rewarded and this encourages them to make the right choice.
- Children learn there are consequences to their actions within school and at home.
- All children are treated equally, fairly and given the same opportunity to take part in activities and experiences.
- We have high/achievable expectations for all children.
