Dear Parents and Carers,

On Tuesday this week, we took part in Internet Safety Day. Internet Safety Day is the UK's biggest celebration of online safety. Each year, an online issue or theme is covered that speaks to children and young people about the things they are seeing or experiencing online. This year the theme is 'Too good to be true? Protecting yourself and others from scams online.'

In school, our Year Six children led sessions with different classes to help them understand how children and young people can protect themselves and others online, as well as what support is available to them.

We know that parents and carers are keen to help their children stay safe online. In the newsletter this week we have information about what parents and carers need to be aware of when children are potentially using social media apps, such as Snapchat.

You can find more information about Internet Safety Day and support for families regarding keeping children safe online at <https://saferinternet.org.uk/>

Wishing all our children, parents and families a relaxing and restful half term break. We look forward to welcoming the children back on **Tuesday 25<sup>th</sup> February**.

God Bless

Mr Bright

**READ  
YOUR WAY**

**World Book Day takes place on Thursday 6th March and we hope you'll join us as we come together to celebrate our World Book Day in school.**

Every year on World Book Day we are overwhelmed by the enthusiasm of our school community. We know that this year many families will find themselves in a difficult financial situation and we don't want our celebrations to be an additional burden. In light of this, we are inviting children to come to school wearing their pyjamas/ loungewear so that we can all relax with a book. Children are still more than welcome to come to school dressed as their favourite book character if they have a costume and would like to do so.

As part of our celebrations, we would like to invite parents/carers/grandparents to come into school to share a story with their children on World Book Day. Please see the timetable below for your child's year group story time.

Please don't worry if you are not able to make it to this session, we will make sure there will be somebody to share a book with all of our children. If you have children in multiple year groups but can only make one of the sessions, simply choose the most convenient time and we will invite all siblings to join you at this session.

We would like children to complete our World Book Day related Home Learning task 'Book in a Jar' over the half term holiday and we look forward to sharing the children's wonderful creations on World Book Day.

In school children will also be taking part in the Design a National Book token competition and the two winning designs from each class will be entered into the national competition.

We're very much looking forward to celebrating World Book Day, which could not happen without the support of parents and carers - thank you.

### Snapchat and social media

We want to inform you about some dangers related to children using social media, especially Snapchat. This app is meant for users aged 13 and older. Unfortunately, many younger children are accessing it, which could expose them to inappropriate images and content and risky situations due to the presence of artificial intelligence in the app.

To help protect your children, here are some simple tips:

1. **Talk Openly:** Have regular conversations with your child about what they do online. Encourage them to share anything that worries them about social media.
2. **Set Rules:** Make clear rules about which apps they can use and remind them of the age restrictions on different platforms.
3. **Discuss Privacy:** Teach your child about privacy settings and help them adjust these settings so they can keep their information safe.
4. **Keep an Eye on Usage:** Check which apps your child is using from time to time and talk to them about anything concerning they might encounter online.

By working together, we can help ensure that our children have a safer experience online.

#### Sunday Gospel Reflection

6<sup>th</sup> Sunday in Ordinary Time – Luke 6:17-26

*Blessed are you*

This week in the Sunday Gospel we encounter the Sermon on the Mount and the beautiful teachings of the Beatitudes. In the Beatitudes, Jesus talks about people who are blessed. We might be surprised by some of the people Jesus describes as blessed:

*Blessed are you who are poor,*

*Blessed are you who are hungry,*

*Blessed are you who weep,*

The Beatitudes remind us that, while Jesus loves all people, he is particularly close to us when we poor or hungry or weeping – this could be a spiritual hunger or a time when we feel lonely. At those times Jesus draws us especially close to Him. Jesus also asks us to draw close ourselves to our brothers and sisters who are poor, hungry, lonely, weeping...

What can we do this week to draw close to someone who is sad or lonely or hungry?

#### Jubilee Prayer – Grant me your Spirit

##### Grant me your Spirit

God, grant me the spirit of courage,  
that I may have the strength to fight injustice.  
Give me the spirit of challenge,  
that I may not accept the status quo without question.  
Give me the spirit of compassion,  
that I may see the world from other people's viewpoint.
