Computing Action Plan

2021-2022

Intent

To increase the number of children meeting and exceeding expected attainment in coding

Implementation	Impact
Purple mash training for new staff and a refresher for existing staff 7.12.21	All staff have received up-to-date purple mash training
Teacher's and TA's to use coding Crash course to help children to fill any gaps missed due to lockdown	Work trawls show that children will have met or exceeded the year group appropriate target in coding
Share exceeding computing examples of work and statements on purple mash to increase confidence in awarding exceeding, during staff meeting in SPRING TERM	Staff will be able to confidently aware exceeding in computing where appropriate
Progression of skills display in Computing suite shows completed work from Yr1-6 and clearly displays progression	Staff can refer to progression of skills display during lessons
Year group vocab videos and definitions sheet shared with staff to ensure they are introducing the correct terminology to the children	Book trawls, conversations with children
Computing Club created for 1 hr after school session per week starting with year 3 (due to COVID restrictions on mixing bubbles)	Any KS1 gaps filled and support children further with coding

Intent

To use technology to improve attainment in the wider curriculum

Implementation	Impact
Bank of Purple Mash resources linked to topics shared with staff and re-issued this year	Email shared September 2021
Subject Co-ordinators shared links to computing for their subject	Email shared October 2021
Computing Drop-in sessions available to all provided by Brian Fowler and Lisa Holmes for any staff that require more help	Staff are confident in their use of technology
Email sent out to staff again in December 2021 to help staff pre-plan homework for the half-term	December 2021 email. Increased use of purple mash for homework in different subjects.

Intent

To develop a more rigorous assessment and tracking system for computing

Implementation	Impact
To provide in-house training in staff meetings on how to use purple mash for assessment	Staff have used purple mash to assess the children SPRING TERM
To monitor and analyse assessments	BF and LH Spring 2
