KEY INFECTION AND PREVENTION CONTROLS REMAIN IN PLACE as published in the "daily plan". By following these measures we all reduce risks in our setting and create a safer environment.

We MUST always:

1. Minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school.
2. Ensure face coverings are used in recommended circumstances.
3. Ensure everyone is advised to clean their hands thoroughly and more often than usual.
4. Ensure good respiratory hygiene for everyone by promoting the 'catch it, bin it, kill it' approach
5. Maintain enhanced cleaning, including cleaning frequently touched surfaces often using standard products, such as detergents.
6. Consider how to minimise contact across the site and maintain social distancing wherever possible.
7. Keep occupied spaces well ventilated.
8. Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary.
9. Promote and engage in asymptomatic testing, where available.
10. Promote and engage with the NHS Test and Trace process.
11. Manage and report confirmed cases of coronavirus (COVID-19) amongst the school community.
12. Contain any outbreak by following local health protection team advice.

CORONAVIRUS CASES REMAIN HIGH IN TAMWORTH

The number of people catching coronavirus in Tamworth has more than halved since the New Year, but Tamworth still has the highest number of cases across all of the eight districts and boroughs in Staffordshire and is above both the West Midlands and England averages.

What's more, fewer people are getting tested than elsewhere in the county.

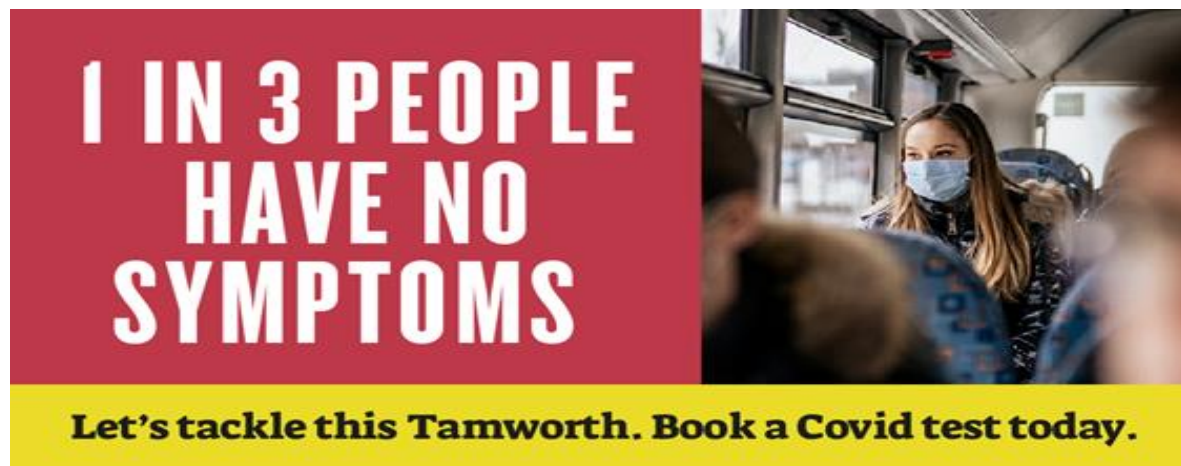

Why we need to tackle COVID in Tamworth

1 in 3 people who have coronavirus have no symptoms and are spreading it without knowing.

When the virus is growing in the community, more people are at risk of catching it, more people will become ill and more people risk losing their lives.

As a country, we will only be able to move forward with lifting lockdown if the virus is under control and our hospitals are able to cope.

How you can help tackle COVID in Tamworth

Everyone can do something to control coronavirus by following these steps:

- Stay at home - in line with government guidance
- Stick to hands/face/space guidelines.
- Get a regular rapid COVID test at one of our community testing centres
- Have the vaccine when you're offered it.

There is now a seven-day-a-week community testing site at: **Ankerside Shopping Centre, Unit 30, George Street, Tamworth, B79 7LG**

Staffordshire residents can walk-in or you can book in advance if preferred at:

<https://staffordshire.zipporah.co.uk/TrackAndTrace/>

There are also pop-up community sites at various locations in the Tamworth area. Just a few minutes of your day can give you peace of mind and potentially save someone's life.

Anyone with symptoms should book a national test at www.nhs.uk/coronavirus.

More information on how you can help to tackle COVID in Tamworth can be found at

<https://www.staffordshire.gov.uk/Coronavirus/Tackling-COVID-in-Tamworth.aspx>

IF YOU OR A FAMILY MEMBER TAKE A TEST AS A RESULT OF COVID SYMPTOMS, WHICH ARE:

- A HIGH TEMPERATURE (FEVER) - HOT TO TOUCH
- A NEW CONTINUOUS COUGH
- A CHANGE TO YOUR SENSE OF SMELL OR TASTE

YOU MUST SELF-ISOLATE AND STAY AT HOME, AS A HOUSEHOLD, UNTIL YOU RECEIVE YOUR RESULTS.

PLEASE NOTIFY SCHOOL (USING THE EMAIL ADDRESS BELOW) OF YOUR RESULTS, EITHER WAY, TO PROTECT THE SAFETY OF OTHERS IN OUR SCHOOL COMMUNITY. confirmedcovidcase@st-gabriels.staffs.sch.uk

The letter sent previously has further details and information about this new cross - partnership initiative.

Parking

We have recently received a complaint from Tamworth Home Care regarding parents using their car park. They are based on the Seaton Heating site on Wilnecote Lane, along with 7 or 8 other businesses and have limited car parking facilities. Please be aware that this car park is private property and parents/carers should not be using this area to park.

Please show consideration to local home owners/businesses and do not block garages and driveways. Thank you to the vast majority of our parents who continue to park responsibly in the local area.

Parents are encouraged, wherever possible, to walk to school. For further information please see <https://www.st-gabriels.staffs.sch.uk/walk-to-school/>. Thank you.

Staffing

Please be aware that the new government guidelines mean some staff are classed as clinically extremely vulnerable. On-going self-isolation for staff due to their own need or needs of family members means there is a reality of us not having a full work force. We are therefore running with less than a full staff team at this time, this week 5 members of staff have been unable to attend work.

The start of Lateral Flow Testing for staff in primary schools means there is also the chance, at short notice, of disruption to planned lessons or the need for bubble closures.

PLEASE DO HAVE A PLAN B IN PLACE FOR CARE OF YOUR CHILD IF CLASSES HAVE TO CLOSE AT SHORT NOTICE!

We appreciate your understanding of this matter. Thank you.

Any parent finding themselves struggling or in great difficulty with housing or finance, please approach us, in confidence. We may not have the answers but we may be able to signpost or help.

If you do not approach us, we cannot help, so please be assured of confidentiality in approaching us! We have been able to support a number of families previously and are ready to continue to try to do so.

Tamworth Hygiene Bank

Tamworth Hygiene Bank is a charity that offers support to families that find themselves unable to afford everyday hygiene products e.g. sanitary products, deodorants and shampoos etc. They achieve this by putting together bespoke packages for whole families or individuals. This is facilitated by working alongside schools and other organisations without the need for them to know any details other than how many people are in a family and their ages. They are completely funded by donated products and currently have drop off points at the Sacred Heart Church and Boots at Ventura. We now have a donation box in the school's main entrance, should you find yourself in a position to be able to donate hygiene products.

The charity have provided school with an assorted box of hygiene products that are available for anyone that might need them. Should you wish to access this service or if we can help out with something from the assorted box, please give Mrs McKay a call.

The charity also have a Facebook page; Hygiene Bank Tamworth should you wish to find out more or to message them directly.
