St Gabriel's Action Plan 2021-2022 - PE

Intent	Implementation	Impact
• To ensure whole school NC coverage- curriculum mapping and progression of skills	• Curriculum coverage document to be produced to ensure coverage • Progression of skills document to be implemented • Termly observations • Pupil voice	• All children are taught all aspects of the NC for PE • All staff know what is expected from them for Geography.
• To produce a system of assessment of learning in PE	• Produce a system of assessment against knowledge skills and understanding of PE	• Assessment is made termly
• To ensure staff feel confident and skilled to deliver gymnastic lessons to a good or better standard	• CPD opportunities for Luke Birtwistle and Year 3 class teachers during the Spring Term.	• Higher standard of lessons for gymnastic lessons in key stage One/Two • Lesson observations will reflect this as well as pupil voice
• To ensure vocabulary in PE is being taught and reinforced in PE lessons so children can know and remember more	• Particular focus will be in gymnastics to ensure children can name apparatus, positions and different movements	• Lesson operations • Pupil voice
• To ensure children who cannot swim 25m have extra support in the summer term	• School to access funding from PE sport premium to have extra swimming sessions for children in year 6 to improve swimming proficiency	• Assessments at end of summer term sessions
