Volume 13 Number 31

Dear Parents

## Mrs Hawker - Year 2 Teacher

Sadly, and very unexpectedly, Mrs Hawker has been diagnosed with a tumour in the head.

This was only confirmed last weekend.

Mrs Hawker had major surgery on Tuesday 17<sup>th</sup> May.

I realise that this will be as big a shock for you as it is for us.

The shock is nothing compared to the huge shock for Jo and her family.

The medical team and family are in the very early stages of trying to confirm what they are dealing with.

Please keep Mrs Hawker and her family in your thoughts and prayers at this difficult time.

## Mr Dave Gooch - husband of Mrs Gooch

Mrs Gooch is one of our teaching assistants in year 2. Her husband Dave was diagnosed with lung cancer last summer.

Sadly Dave died on Sunday evening last.

May Dave rest in peace.

Please remember Mrs Gooch and her family at this very tough time of loss.

**IF ANY PARENT IS WORRIED OR CONCERNED ABOUT PUTTING FOOD ON THE TABLE AT THIS TIME THEN PLEASE DO APPROACH ME OR THE SCHOOL OFFICE IN CONFIDENCE, WE WILL ALWAYS TRY TO HELP IN WHATEVER WAY WE CAN.**

Please be aware of the wide range of food available from the Heart of Tamworth shop on the grounds of Sacred Heart Church. One generous bag of shopping for £3.00

### Family & Community Information Hub

Please could I draw your attention to the new family and community information section on our website? This section contains a wealth of current information on community activities from mother and toddler groups to free courses as well as job and training opportunities. It also provides information for parents of children with additional educational needs along with opportunities available to them for example short breaks. There will also be information on healthcare. Please take some time to have a look and keep checking in - there will be new information added most weeks, as and when we get it, we will post it.

### Year 3 Urban Artist Visit

Yesterday, Year 3 created a brand new street art mural on the side of the music room. Children were tutored by Steven Edwards from Graffolarge about the different street art techniques that he uses to create large scale murals. He showed children a range of work that he had been commissioned to create by Dudley Zoo, British Waterways and Banks Brewery to name but a few. The children were inspired by the different techniques that he uses, for example, some work was created entirely by graffiti lines that when overlaid created a 3D large scale version of Yoda. Steven Edwards then chose his favourite design, to place on the mural. The winning designs came from Ava C in 3CC and Jasmine B in 3LH. Children worked under the careful eye of Steve to spray paint the design to life, I am sure you will agree, the finished piece (below) is a fantastic colourful addition to our school. Many thanks to Steven Edwards for sharing his talent and expertise with us.

## Catholic Virtues

This term children and staff at St. Gabriel's are growing to be **GRATEFUL** for their own gifts, for the gift of other people, and for the blessings of each day; and **GENEROUS** with their gifts, becoming men and women for others

## Our Parish

It's a good time to think about going back to Church if you have been away due to Covid.

There are many opportunities to be involved in the Catholic parish in Tamworth.

Have a look at [www.tamworthrc.church](http://www.tamworthrc.church) Think seriously about going along to one of the Masses at the times shown.

A celebration of Holy Mass takes about 50 minutes. Many people find it spiritually lifting to sit in the peace of the Sacred Heart Church and listen and feel God around them. You will not know that unless you try it. Try it and tell me of your experience. Thank you.

## Online Safety

We have been made aware of a number of online videos featuring a character called 'Huggy Wuggy.' Huggy Wuggy is an animated teddy bear with razor sharp teeth who sings worrying songs about hugging and killing. The character appears to feature in a number of videos on a number of different online platforms, including You Tube.

Due to the name children may come across the character and watch a video expecting a bear. The character's name also means that some internet filtering tools may not identify the videos as inappropriate for children.

Please, as always, be extra vigilant when your child is online and continue to talk to them about how they keep themselves safe on the internet and what they should do if they encounter something or someone who upsets them/worries them online.

To find out more about how to support your child in staying safe online please visit the <https://www.thinkuknow.co.uk/> website for advice, guidance and resources for parents/carers.

## Parking

Please continue to be aware of the need to park responsibly in the local area and in and around the school. Thank you to the majority of parents who continue to park lawfully and sensibly.

Parking is not allowed in front of the school gates, the yellow lines and zig zags are there to stop people parking there and to protect and keep all of our children safe.

Please never park up on the footpaths in the surrounding roads. You are also asked to please show consideration to local home owners and do not block garages and driveways. Please do not become abusive to local home owners.

Parking on the grass verges along Wilnecote Lane has been raised as a COMPLAINT with local police. We have been asked to advise all parents not to do this. Parking on the grass verges is dangerous and causes blockage for neighbours. Local police will continue to follow this up. We again ask you take this advice and requests on board. Thank you.

## Attendance

Further to the email sent to all parents on Monday 22<sup>nd</sup> November 2021. Please assist by:

- Not taking holidays in term-time, no period of leave for holiday can be authorised
- Only request a leave of absence when absolutely necessary
- Book routine appointments where possible outside of school times
- Not taking time off school for minor ailments - ask yourself if you would stay off work for the same
- Be on time for school - lateness disrupts the start of the day for your child and many key interventions take place in the first few minutes of the day
- Remember there are 175 non-school days per year, plenty of time for holidays, visits, days out and routine appointments

## Punctuality and Being on Time

Thanks to all those families who get your children down to school on time.

We open for business at 8.50am. Currently about half of the children are in school getting started with their day within 3 minutes. The flexi start allows less congestion outside at the start of the day.

A very small number of families are still arriving after the registration bell at 9.10am. A lot of important, key work takes place in the first few minutes. Please do get your children down to school before the bell so that they DO NOT MISS OUT. Thank you.

We would like to increase our followers to all parents and grandparents that are known to us. Our Twitter account is a closed account (private); therefore in addition to your request to follow the Twitter account we will need your own Twitter account username details to be sent to us, via the following email address: [twitter@st-gabriels.staffs.sch.uk](mailto:twitter@st-gabriels.staffs.sch.uk)

This will allow us to accept you into the group and ensure the security of the account.

**Please be aware** - this account will only be used to share information and snapshots of your child's learning - please do not use this as a means of direct contact. There will be no facility to comment.

## Living with Covid

The Government recently announced their Covid 19 response "Living with Covid-19" strategy for England. It means that most of the measures in place to prevent the spread of the virus are no longer required.

**National guidance now urges us all to take personal responsibility so that our actions minimise the risks of transmission.**

In school we will continue to:

- Offer frequent and proper handwashing for staff and pupils
- Encourage good respiratory hygiene - this includes continuing to follow "catch it, bin it, kill it"
- Have additional cleaning of major touch points
- Have additional ventilation
